Wolverines Lose To Winnemucca In Playoff Battle

Local Boys Fail To Score As Winnemucca Gets South Trip

The powerful Humboldt County High School Buckaroos from Winnemucca thoroughly routed the local high school Wolverines last Saturday on Foster Field in Reno 47-0.

Earlier in the season the Wolverines had upset Winnemucca 21-7. The two teams will enter the record book as co-champions of the Northern Nevada A Conference for 1959 as the play-off Saturday was purely to determine the northern representative in the state championship game this Saturday at Overton, Nevada.

The Buckaroos wasted little time in proving their superiority this day as they successfully worked the on-side kick to begin the ball game and, although halted on the first drive, were back immediately to put the first score on the board with six minutes elapsed in the game. The tally came on a 24-yard pass from Jim Phillips to end Gary Hoxev on a 4th down situation.

Following the ensuing kick-off, Jerry Cinani, Wolverine quarterback, trying to play under a terrific handicap (a broken finger and ruptured tendon on his throwing hand, sustained only Thursday night) couldn't get the Cardinal and White going and had to kick out. Jock Echave, a bruising powerful fullback from Winnemucca, who gave the local tacklers fits all day, went 61 yards over left tackle as the second quarter got underway.

Echave's conversion was also good and Winnemucca led 13-0.

The score remained at this point, with the Bckaroos concentrating their defense against a hapless Wolverine offense that couldn't pass, until just before the half, when Phillips running out of a single wing to the right, threw back to the left to Echave who scampered 19 yards and Winnemucca led 20-0 at half-time.

The second half was simply more of the same as the Buckaroos continued to roll and completely bottled up the crippled Wolverine offense. Echave ended up the day with three touchdowns and Phillips threw for three more. The final score was 47-0 and the superiority was clearly evidenced in the statistics. The Buckaroos garnered 14 first downs to the Wolverines 3 and passed and ran for a tremendous 376 net yards to the local's 58. In all fairness it should be stated the Cardinal and White were sorely hurt by injuries to six or seven key men in addition to Cinani and were not operating at full efficiency although the final outcome of the game very likely would not have been any different against the revengeful bound Buckaroos.

VITAL LINK IN PHONE SERVICE NEAR READY

One of the most vital links in Squaw Valley's communication system to the outside world is rapidly nearing completion, Ed Bean, manager for Pacific Telephone said.

It is a small, two-story building on the floor of the valley, central location for intricate television, teletype, radio, telephoto and other private line gear being installed for the 1960 Witner Olympic Games.

The building is equipped with four test boards, large pieces of electrical equpiment through which phone men are able to locate source of possible line disorders.

Once the source of trouble is traced, the boards also give the phone company flexibility to substitute alternate routes for the private line circuits.

Installation of equipment is being handled by a transmisison crew consisting of John Tiner, Santa Rosa; G. W. Roberts, Ukiah; J. W. Webber, Grass Valley; and headed by W. J. O'Brien, Napa.

YOLO YOUTH HURT IN HIGHWAY CRASH

Henry Harold Johnson, 16, Esparto, was injured last week when a car in which he was riding driven by Chauncy Leroy Snyder, 18, Sacramento ran off Highway 89 into the Truckee river near Halfway Bridge.

The car apparently hit loose gravel, skidded a long distance and then plunged 40 feet down the steep bank into the river. Snyder and George Gallardo, 25, also of Esparto, were not seriously injured. Snyder was cited by the California HighwayPatrol.

ASSUMPTION GUILD SPONSORING PARTY

A Christmas party will be held in the Truckee Catholic Church parish hall December 13, beginning at 7:30 p. m. for members of the Assumption Guild and their families. Plans for the coming event were made at the November 12 meeting or the organization.

23 High Students Are Honored For Getting Best Grade

There are 23 Tahoe Truckee high school students on the first honor roll of the present term.

"High scholarship is one of the many fine goals for which Tahoe Truckee High School is gaining well earned fame," Principal C. W. Sciutto declared. "An 'A' grade is not easy to achieve in this school and winning a place on the honor roll is something of which any student and his parents may well be proud."

A grade 'A' counts four points; a 'B' three points, a 'C' 2 points and a 'D' one point. An 'F' counts nothing. A student must have a 3.15 grade-point average to earn honor roll standing, a difficult achievement.

On the honor roll for the first report period are:

Seniors: Carol Bailey, Judy Fanger, Larry Jellin and Linda Morrell.

Juniors: Moira Burke, Tony Calcagno, Varien Frey, Katherine Gerlitz, Ellen Hubbard, JoAnn O'Connor, John Olinghouse, Jo Ann Pomin, Cynthia Reynolds, Tim Risden and Gary Snyder.

Sophomores: John Holley and John Stephani.

Freshmen: Craig Beck, Sandy Fellows, Bill Holley, Pat Saarni, Dennis Whiteneck and Margaret Wood.

"A large number of students achieved a 'B' average, or better, and we hope to see many more names on the honor roll at the next report period, after Christmas," Sciutto said.

Change Of Name For Road Planned

Unless there are objections, the Truckee Donner Chamber of Commerce will petition the Nevada County Board of Supervisors to change the name of Emigrant Way to Truckee Donner Boulevard.

Emigrant way was chosen a year ago as the designation for old Highway 40 between Truckee and Donner Lake and while it was given publicity at that time and Supervisor H. G. Loehr asked for names for the route, it created little attention.

Recently, it has been pointed out, there are many objections to the Emigrant name and objectionists are asking that the name be changed to provide a more fitting designation for the important route which is thoroughly commercial for the most part.

Unless there are serious objections, the chamber at its next meeting will ask for the change, N. F. Dolley, chamber president, announced.

EMBLEM OFFICERS TO BE INSTALLED DEC. 20

On November 8 a second meeting was held at the Tahoe Community Center in TahoeCity, in order to form the Lake Tahoe Sierra Emblem Club No. 347. There were 54 prospective members present.

District Deputy Dorothy Cameron of the Los Gatos Emblem Club was present to give the women an idea of the purposes of the club, and also to assist in the election of officers. Newly elected officers will be announced later.

Installation of officers will be at the Nevada Lodge, Crystal Bay, on Sunday December 20 at 3 p. m., with dinner following. The public is invited to attend. Prime rib dinner will be served.

A meeting will be held Thursday evening December 3, at 8 p. m. at the Tahoe Community Center in Tahoe City. All eligible ladies are also invited to attend. For further information call JUniper 3-3995.

BOB WILLIAMS HEADS CLASS AT COLLEGE

The friends of Bob Williams will be happy to hear of his signal honor of being selected president of the Moody Bible Institute freshman class, which numbers slightly less than 500 students.

His achievements do not end here, for he has also been chosen to be a member of the famous Moody Glee Club which is directed by Donald Husted, well known lecturer, composer and recording artist. Bob is looking forward to a tour with the glee club the first of the year which will take them to Florida.

During Christmas vacation he hopes to see many of his Truckee and Tahoe friends while he is here for some skiing.

Forecaster Sees Light Snowfall In Sierra For Winter

Prediction Calls For Light Winter; May Set A New Record

There will be less snow in the Sierar Nevada this winter than in any winter since the 1880's, Weldon F. Heald, the Sierra Club's snow forecaster, predicted this week.

Heald said his studies indicate that the total snowfall at Soda Springs, near Donner Summit, probably will be between 210 and 250 inches, with proportionate snowfall up and down the range. (In 1951-52 it was 788 inches).

The crystal snowball gazer foresees that Squaw Valley, site of the Winter Olympics, will have a total snowfall of from 145 to 175 inches this winter, probably sufficient for winter sports since skiers only ski on top of the pack whatever its depth.

"Whichever way I turn the crystal ball, it won't come up with anything but a low year for snowfall," Heald informed the club. "It could be one of our very worst snow years. I'm sorry about it and wouldn't dare associate with ardent ski fans at present. Lynching would be too good for me.

"So I hope I am wrong and that great and unexpected snows will come. However, according to past cycles, we've got to dive down to a 1960-62 minimum and we are a bit overdue already on very low years. The following maximum should come about 1965-68.

"Let us hope, even if I am right, that there will be enough skiable snow for the boys and girls from all over the world."

Heald, who bases his forecasts on 80 years of weather bureau records at Soda Springs supplemented by studies of tree rings which carry the records back to 1811, has had a remarkable record of accurate prediction during the past decade.

His studies reveal a cyclical rise and fall in total snow fall at Soda Springs spanning about 15 years. The 1951-52 record snowfall of 788 inches, in which the Southern Pacific streamline train was imprisoned,culminated one of these 15-year cycles and then the trend turned downward.

Squaws Sponsor Olympic Benefit

Plans have been announced for a spectacular VIII Olympic Winter Games benefit to be held December 19 at the Olympic Village, Squaw Valley. The affair is sanctioned by the organizing committee of the Winter Games and sponsored by a Lake-Tahoe-Squaw Valley organization, The Tahoe Squaws. This will be the only public event held in the athletes' center and at least 1,000 people are expected to attend and view the Olympic facilities.

During the cocktail hour from 7 to 9 p. m. winter fashions from leading local and San Francisco stores will be modeled by well-known sports figures such as Zoe Ann Jensen, former Olympic diver, Jackie Jensen, Boston Red Sox most valuable player, Joe Marillac, head of Squaw Valley Ski School, and well-known public figures such as Terry Huntington, Miss USA. Local stores participating Besio's in Truckee, Porter's and Village Store in Tahoe City, and Sporthaus and Donna's in Squaw Valley. A famous personality will be provided by Harrah's Club to act as master of ceermonies and Miss Skeeter Werner, former Olympic ski star turned fashion model, is flying from New York to act as fashion commentator. Following the fashion show will be a buffet dinner and dancing to a six piece orchestra.

Chairman of the affair is Mrs. Peter B. Johnson, Squaw Valley.

LADIES NIGHT FOR ELKS DECEMBER 5

The North Tahoe Sierra Elks Lodge No. 2140 plans their first Ladies Night on Saturday, December 5 at Crystal Bay Club.

Chairman Herb Neidig announces that Elks, their ladies and guests will enjoy a buffet supper dance with the proceeds going to the Elks building fund.

Mrs. Della Burlingham is a patient at the Tahoe Forest Hospital undergoing tests and treatment fora digestive complaint.

Chamber Sponsors Decoration Contest For Holiday Time

The Truckee Chamber of Commerce this year will again sponsor a Christmas decorating contest.

This was decided at the meeting of the chamber held at Smart's Friday when it was agreed that prizes of $50 to the residential and $50 to the commercial areas would be given in merchandise orders on local merchants.

There will be three prizes in each group, the first being for $25, with $15 for second and $10 for third place in each of the two divisions.

Judges will be appointed by the chamber to scan the decorated homes and businesses and the awards will be made just prior to Christmas.

POSTAL CANCELLATION

N. F. Dolley, chamber president, was named to confer with Postmaster Elizabeth Bavier regarding the procurement of a cancellation stamp in commemoration of the VIII Olympic Winter Games at Squaw Valley. Such a cancellation is available through the post office department, the chamber has been advised by Roy Saarni, district forest ranger.

Mild Punishment Allowed Teachers

Under terms of a resolution passed at the most recent meeting of the governing board of the Tahoe Truckee Unified School District, corporal punishment may be administered.

The resolution passed upon motion by Mrs. Hilda Hintz and seconded by Byron Miller reads as follows:

Corporal punishment may be used in the district when other methods of correction have been tried and have failed to bring about proper conduct. Such punishment shall be administered only by teacher, principal and/or superintendent.

Gordon Moyer of Tahoe City was appointed to fill the unexpired term of Herbert Obexer of Homewood as a member of the board.

N. F. Dolley, Truckee fire commissioner, appeared before the board with a request that sufficient land west of Truckee be provided for a fire station on school property. The matter was taken under advisement.

Resignations from A. Funk, custodian and A. Monty Schwartz, a bus driver-custodian were accepted and applications of William Dorsey and Stanley Webb to replace them were accepted. Mrs. Sybil Anderson was employed as a long term substitute in the Truckee elementary school.

CURRICULUM GROUP PLANS MEET SERIES

The Citizens Committee for Review of the High School Curriculum met November 10 at Tahoe Truckee High School, and plans are already well formulated for an interesting and worthwhile series of meetings throughout the 1959-1960 school year.

Max Williamson was elected chairman upon the resignation of Elmer Brown, who ably served as last year's chairman. Committee members present were: Conrad Wainscoat, Mrs. Lynwood Ribal, Mrs. R. W. Saarni, Elmer Brown, Max Williamson and C. W. Sciutto, moderator. Guests of the committee were the faculty of the high school industrial arts department, Bert Green, wood and metal shop instructor and William Vassar, instructor of the newly organized auto shop. Also present was Gene Tompkins, a new member of Kings Beach.

An interesting and informative discussion of the problems confronting the industrial arts teacher was held. It was unanimously agreed that every effort should be made to stress to students and parents the importance of shop as a vital part of the academic picture.

The study of English will be the subject of discussion at the December 2 meeting. Invited guests will be Joor Bol, of the high school English faculty, Mrs. Lucille Sauby and Kenneth Stewart.

PLAN CAR WASH

Members of the Tahoe Truckee California Scholastic Federation will conduct a benefit car wash at Mike & Ray's in Kings Beach, the Connors Station at Tahoe City and Gateway Chevron Station at Truckee Sunday between noon and 4:30 p. m.

Portland Firm Is Lowest Bidder On Prosser Dam Job

Bid Of $2,332,109 Given As Work Scheduled For Spring

Under the direction of H. Smith Richards, acting project manager, bids were opened Thursday, November 12, 2 p. m., at the Civic Auditorium, Carson City, for construction of Prosser Creek Dam, Specification DC-5197.

Ten bids were submitted ranging from $2,181,323.50 to $3,671,317.

The apparent low bidder was R. A. Heintz Construction Company, Portland, Oregon. Second and third low bids of $2,332,109, and $2,566,177 were submitted by Holland, A & B,and Zook Brothers Construction Companies, a joint venture; and Keystone Construction Company, respectively.

The engineer's estimate prepared by the bureau of reclamation was $2,913,599.

Official award of contract to the lowest responsible bidder will be announced later from the assistant commissioner and chief engineer's office, Denver, Colorado. It is expected that award of the contract will be made during December 1959. The contractor will begin work within 30 calendar days after date of notice to proceed.

The construction work is to be completed within 925 calendar days atfer receipt of notice to proceed.

Prosser Creek Dam, located on Prosser Creek about four miles northeast of Truckee, is the first unit of the authorized $52,000,000 Washoe project to get underway. Construction is expected to begin early next spring.

Jack Carter, who will be resident engineer on the Prosser project, said he estimated that approximately 20 bureau engineers will be employed on the job. They will have a trailer park, established by the government near Boca. The contractor will be required to take care of housing for his crews.

Television Project To Aid Reception

The Truckee, Lake Tahoe and Donner Summit areas may soon be able to get snow-free television reception on three channels if plans being formulated are carried to conclusion.

E. J. Bean, district telephone company manager, who with a group of other local residents, is sparkplugging the idea, explained the setup before a meeting of the Truckee Donner Chamber of Commerce last Friday at Smart's.

The cost of installing a repeater station to make the reception good, Bean explained would be approximately $20,000. This would provide for permanent installation and cost of maintenance would be about $2000 annually.

It is proposed, Bean explained, to get 2000 people to contribute $1 a year for the upkeep. Everyone contacted thus far, he said, has been enthusiastic about the plan and it is proposed to start the ball rolling in the immediate future.

Naturally, Bean declared, permission must be obtained from the Federal Communications Commission and a site, preferably Slide Mountain or Mount Rose, obtained.

While the non-profit corporation being formed will have charge of the setup, a vote may be taken to determine which three channels would be preferred, such as NBC, CBS and ABC.

The cost of converting televisions to receive from the converter would be about $40, but members of the corporation would receive substantial discounts, Bean pointed out.

BEAR PEN WILL OPEN SATURDAY NIGHT

SQUAW VALLEY — Newly enlarged, and decorated with rare old photos of ski races in the 1860's and other old time Sierra ski memorabilia, Squaw Valley's colorful Bear Pen restaurant and cocktail lounge will open for the 1959 and '60 season on Saturday night, November 21. Located right next to the Olympic games site, with its own parking area and facilities, the Bear Pen is also directly across the street from the giant Olympic parking area for the games.

Truckee Traffic Is Still Tops Despite Seasonal Decline

Although Truckee showed a decline of 6,643 cars in the volume of traffic entering the state during October as compared with September, it was still in the first place as a port of entry, according to the monthly report from the department of agriculture.

The local quarantine station inspected 78,493 cars, 4,395 trucks and 789 buses during last month. The only station near Truckee was Yermo with 76,795 cars, 3,269 trucks and 472 buses.

Truckee's total passenger count was 204,971 compared to Yermo's 198,135, according to the report.

On Highway 50 at Meyers, 14,137 cars, 364 trucks and 43 buses with a total passenger count of 34,816 was reported.

Truckee's count for October was more than 17,000 cars over the 61,739 reported for the same month in 1958, while Meyers showed a drop of approximately 3,000 cars during October this year compared to 1958.

Sierra Pacific Has New Office At Lake

North Tahoe residents have another Sierra Pacific Power Co. office of their own now at Kings Beach.

The new office opened Monday in North Tahoe Village, conveniently in the vicinity of a laundromat and other shopping facilities.

It is open from eight to 12 and from one to five, Monday through Friday, with Natalie Daneri as agent.

Frank Gaiennie, Sierra Pacific district manager, said arrangements have been made to have the office open six days a week during the busier summer months.

Customers wanting new service from the power company, or wanting to pay bills, can now complete transactions without going to Tahoe City.

"This office can handle anything any other Sierra Pacific office can handle, "Gaiennie said, adding "even complaints, although we don't expect many of those."

The new Tahoe Village office is part of an extensive Sierra Pacific expansion program designed to keep up with unprecedented growth at the lake.

With recent completion of a substation at Brockway, the company now has five major power stations at the lake. They can be operated independently or can be switched together in case one fails.

The Brockway substation and transmission line from Truckee cost about half a million dollars, and is built with the most modern electrical equipment in the business, Gaiennie said.

SCHOOL CONFERENCE SET FOR NEXT WEEK

Principal William Sciutto of the Tahoe Truckee High School announced that Monday, November 23 and Tuesday, November 24 have been set aside for parent conference nights at the school. The starting time is 7:30 p. m. each night.

So there will be no confusion for those attending, the following schedule has been arranged by areas: Monday—Kings Beach, Tahoe City and Tahoma; Tuesday—Truckee, Floriston, Donner Summit and Hobart Mills.

The purposes of these conferences, Sciutto said, are: 1.—to give a broader meaning to the letter grades which students receive on report cards. 2.—to provide an opportunity for both parents to share information which very often helps the student. 3.—to alleviate many problems which the student, parent and school have in common.

In the past these conferences have been well attended and it is hoped that this will be the biggest ever held.

CHRISTMAS BAZAAR ON DECEMBER 11 - 12

The annual Christmas bazaar of the Truckee Elementary School P. T. A. will be held in the Truckee Mercantile December 11 and 12 according to Mrs. Cal Farley, president of the sponsoring group.

Holiday candles, wreaths and confections will be attractively displayed for sale. Anyone interested in helping to make the wreaths may contact Mrs. Farley at LU 7-3302 or Mrs. Roy Saarni at LU 7-3284.

Officers Seek To Identify Body Of Drowning Victim

Murder Theory Blasted As Examination Is Made Of Body

An autopsy and x-ray examinations disclosed Monday that the body of a man found in Donner Lake Sunday noon by a group of skin divers was apparently not a murder victim, as first reported.

Dr. Douglas Brodie, who performed the autopsy, said that the examination did not disclose the cause of death, and what appeared to be a bullet wound through the chest proved to be only breaks in the skin.

Sheriff Wayne Brown and Deputy Frank Gallino were here Monday to assist local officers in the investigation and also ruled out the theory of murder, temporarily at least.

The examination also revealed that the hands and feet were badly deteriorated, but had not been amputated, as first reports indicated.

The victim was a white man about 30, weighing about 200 pounds and six feet tall. Efforts to identify are continuing.

The gruesome find was made by Phillip Duttalth, 20 year old Reno skin diver and member of the Nevada Desert Divers, who was diving in the area about three quarters of a mile west of China Cove and about 75 yards off shore.

Duttalth told Deputy Sheriff Preston Patnoude, who with Deputies Roy Waters, Emery Lander and Leo Zander and Constable N. F. Dolley, were called to investigate, that he became separated from his four companions and it was then he discovered the body on the lake's bottom.

He summoned his companions, Ellis M. Vance of Sparks and Loring Persigehl, Gary Herman and Albert T. Taylor of Reno and they placed a marker on the body then summoned the officers.

It was impossible to determine how long the body had been in the water and Coroner Alvah Hooper said it may have been as long as two or three years. The temperature of the water at that depth preserves and for that reason the body did not come to the surface.

Several bodies are known to be in Donner Lake as the result of drowning accidents.

One theory advanced by Dolley was that the body may have been that of a Reno resident, whose blood-spattered car was found and the occupant arrested but not held as the missing man was never found and there was nothing to connect the suspect with his disappearance. This event occurred about two years ago.

The discovery of the body Sunday created quite a stir and scores of people were attracted to the scene.

TAHOE MAY HAVE A SAGGING BOTTOM

Is Lake Tahoe's bottom sagging? Phone company officials pondered this problem at some depth today over discovery of a submarine cable serving South Tahoe threatened by an underwater slide.

Discovery was made by Pacific Telephone's air patrol last week.

"This was very unexpected," E. J. Bean, Pacific Teephone manager, said. "We had thought the lake bottom more stable."

Bean explained that a 300-foot long section of lake bottom had shifted, leving that length of cable suspended eight to ten feet underwater and several feet above the chasm.

This was near Rubicon Point, about 600 feet from the shoreline.

The phone company, with the aid of a barge, moved the cable 125 feet closer to shore. There was no interruption in service.

THREE BABIES BORN AT HOSPITAL HERE

Three babies were born at Tahoe Forest Hospital during the past week, including Edward who was first welcomed by his parents, Mr. and Mrs. James Ragle of Tahoe City on November 10. His first weight was slightly more than five pounds.

Mr. and Mrs. Jack Melugin of Truckee became parents of a daughter November 12. Gail, as the little girl was named, tipped the scales at 7 pounds, 4 ounces.

Mr. and Mrs. Thomas Dolley of Truckee greeted their first child, a girl November 15. Cynthia Jean had a registered weight of 8 pounds, 9½ ounces.

Mr. and Mrs. N. F. Dolley of Truckee are the delighted paternal grandparents.

DELINEATORS PLACED ON FLORISTON ROAD

Installation of 5.3 miles of new type center-line delineators in the paved dividing strip on U. S. Highway 40 freeway from Floriston, about 13 miles east of Truckee, to the Nevada state line has been completed, officials of the state division of highways announced today at the Marysville district office.

Recently developed by district office highway engineers, the high-visibility delineators are designed to give motorists an easy-to-see guide when the divider strip is difficult to recognize during snowfall and inclement weather.

Of extruded orange-fluorescent plastic tubing, the new markers measure 1.5 inches in diameter and four feet in height and are set in metal sockets anchored in the four-foot-wide center strip paving.

Striped with two separated bands of silver-reflective sheeting, the orange-fluorescent of the "candy stick" markers will give good daytime visibility and exceptionally bright contrast to snow; the silver provides high nighttime reflectivity.

In the event of impact, the polyethylene tubes will inflict minimum damage on the vehicle, and may be straightened for further use usually without replacement.

The recently completed installation was the initial use of the new delineators and partially experimental. If they perform as expected, additional installations will be proposed on other high Sierra divided highways.

The markers are spaced at 200 feet with lesser intervals on curves.

SNOW TRIP IN AREA CANCELLED BY GROUP

SACRAMENTO — (CNS) — If officials of the 1960 Olympics at Squaw Valley got a little jittery about a recent announcement of the Assembly Fish and Game Committee, perhaps there was reason.

The committee, headed by Assemblywoman Pauline L. Davis (D-Portola), had been scheduled to make a field trip in northeastern California Nov. 9-12 for the purpose of counting the migratory deer herd. However, the trip was called off or cancelled.

The reason; no snow or storms to get the migration underway. Normally, by this late in the season there has been a major snow storm to set the herd in migration.

Everyone's hoping there'll be plenty of snow for the annual Turkey Trophy Ski Race at Squaw Valley on November 29 at 11 a. m.

Rolf Monsen, former Olympic Games ski jumper for the U. S. teams, checked out the run of the giant 80-meter hill at Squaw Valley recently and pronounced it the equal of any he had ever seen. Monsen captained the U. S. teams from 1928 to 1936.

November anniversary greetings this month go to Mr. and Mrs. J. P. Obexer, Homewood and Al and Jean Henry of Tahoe City.

The Women's Club announces a change in their Christmas party. It will be held at the Tahoe City home of Mrs. Eunice Henrikson on December 3 at 12:30 p. m. instead of at Mrs. Wilts. The ladies believe this a wise precaution just in case the white stuff starts coming down hard. This Christmas affair will be a pot luck luncheon. Bring your Christmas gifts along and an extra if you have a guest. Call JU 3-3972 or JU 3-3293 so the planners will know how many to expect. Mrs. Alma Guth says the deadline for bringing pine cones and boughs to her for the Christmas project is December 14; and cookies for vets must be in by December 14.

Mr. and Mrs. Mike Mariana of San Diego spent a few days checking on their new house being built in Westlake Village.

* * *

Mr. and Mrs. W. E. Hall of Marysville spent a few days at their Tahoma cottage last week.

* * *

On Veterans Day the members of the Tahoe City Volunteer Fire Department and the Sierra Pacific Power Co. men devoted their free time to string Christmas lights on the venerable and revered Tree of Tahoe City. A nice dedication to a day of dedication.

* * *

The Catholic Guild met last Monday night at the home of John Anderson, Pineland, and planned the dinner at the Nevada Lodge held last Sunday. Catholics and their friends attending the affair totalled 252, 75 of whom were from Corpus Christi Guild. A memorable and most enjoyable social evening was reported, and the three participating guilds are indeed gratified at the success of this meeting.

Jim and Mabel Comagere of Tahoe Tavern Heights, formerly at the Bear Pen, are now managing the Squaw Valley Inn Restaurant.

An interesting profile on Willy Schaeffler, supervisor of Olympic downhill construction at Squaw Valley, appeared in Ski magazine for November. Guiding star of the U. of Denver ski team, Schaeffler is on leave for the Olympic season. There's also a fascinating story on the first Sierra skier, famed Snowshoe Thompson, in whose memory Squaw Valley may be renamed Snowshoe Thompson State Park after the state takes over.

The Harry Lanes of Folsom spent a long weekend at their Tahoma place last week.

The name KT-22 for Squaw Valley's ski hill has always intrigued our imagination and also puzzled us. An explanation of the name was sent in to Ski magazine by Jim Scott. Wayne Poulsen, earliest developer of the Squaw Valley area, watched his wife one day traversing down the steep slopes of the mountain. At the end of each traverse she kick-turned and then skied in the opposite direction. Poulsen counted 22 kick-turns when his wife reached the bottom, hence the name—KT-22.

Among the many who trekked down Marysville and Yuba City way for the pheasant hunting last weekend were the Carl Bechdolts, Jr., the Spitzens, Jay Shontz, Jack Starratt, Pete Heuga and the Robert Pomins.

Gordon Moyer, Jay Shontz, Leonard Bury, N. R. Mayfield and "Red" A. M. Anderson, St. Nicholas Church Bishop's committee met last Thursday.

A Refreshing Tradition

Your neighborhood tavern is part of the American tradition. Like the inns of olden times, today's tavern provides a friendly haven for relaxation and refreshment. Some equally refreshing traditions have been established in connection with light Olympia Beer. It has been brewed by three successive generations of the founding family . . . under the original policies and quality standards . . . with the same source of naturally perfect artesian brewing water . . . since 1896. The brewers of Olympia salute the modern tavern proprietor for keeping alive the traditions of hospitality for which the tavern has always been noted.

"It's the Water"
that makes Olympia Beer refreshingly different

TAHOE TRUCKEE SCHOOL NEWS

DONNER TRAIL SCHOOL

The primary students of the Donner Trail School this week welcomed five new students. These being first grader Billy Griffith and Mores Burroughs, second grader Mary Burroughs and new kindergartners Christine Burroughs and Mike Allyn. Other students recentlyenrolled in the Donner Trail School primary class are Ricky O'Neill a second grader and his sister Lynn O'Neill. Coming from Irvington, California is Steven Roberts who is in first grade. We are happy to have all of them.

The upper grades also received new students in their class. Bob O'Neill is new from Tahoe City and is living in Kingvale. Bob is in the fifth grade. New from the bay area is Jane Allyn, also a fifth grader. Jane, who lives in Soda Springs now ,is looking forward to skiing more often now that she is living permanently in this area. Our third new student and fifth grader is Sammy Griffith, who moved here with his family from Magelia, California. Magelia is just east of Chico.

TRUCKEE ELEMENTARY

KINDERGARTEN: We were sorry to lose Steven Coolong from our class. He is moving to New York with his family, the Chester Coolongs. Cecil Burgess has joined us. He is a transfer from Visalia. His father, Frank Burgess, is employed by the highway department.

FIRST AND SECOND GRADES: We are looking forward to getting our report cards. We miss our classmate Joy Frates. We hope she gets well soon.

SECOND AND THIRD GRADES: This room has been practicing on rhythm instrument songs.

Those who were best spellers this week are: Augie Acosta, Sandy Ferdinand, Steven Kenyon, Claudia Rhoades, Michael Davis, Larry Doyle, Jim White, Dave Rose, Ben King, Carl Mahon, Kathy Campbell, David Capel, Mark Manley, Dottie Kirk. Dennis Weiler, John Poppe.

THIRD GRADE: Liz Richards and Maryann Atkinson were "birthday girls" this week. Jack Mitchell and Jonathan McLane brought long playing records of folk songs and The Children's Hour that were enjoyed by the class.

FOURTH GRADE: Perfect spellers this time are John Clark, Dick Daniels, Shirley Davis, Stan Greene, Thomas Holleman, Michael Kydd, Michael Larsen, Rod McCallen, John McGlade, Jennifer O'Bear, "Ty" Russell, Linda Russell, Karel Lynn Sauby, Steve Schooley, Allison Spillner, Fred Wilhelm, Jenny Wilhelm.

The newy elected class officers are: Dicky Daniels, president: John McGlade, vice-president; Fred Wilhelm, secretary.

FOURTH AND FIFTH GADES: Perfect spellers for the week were Pam Horman, Billy Hobbs, David Higgins, Craig Mullis, Sharon Petersen, Garee Lynn Stewart, Gail Englehart, Dennis Richards and Beverly Holleman. "A's" in spelling were earned by Chris Kumle, Mike Conn, Jerry Householder, Jerry Neugebauer, Russ Glenn, Judy Ingalls, Cam Houlgate and Bernard Stacy.

Garee Lynn Stewart is class chairman; Pam Horman, co-chairman and Carol Brown, secretary.

The following persons brought interesting social science displays to school: John Collier, Keith Saunders, Beverly Holleman, Bill Waters, Chris Kumle and David

Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
The supreme power of God will be emphasized at Christian Science services Sunday.
Keynoting the Lesson-Sermon entitled "Soul and Body" is the Golden Text from Psalms (66:8,9): "O Bless our God, ye people, and make the voice of his praise to be heard: which holdeth our soul in life, and suffereth not our feet to be moved."
Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include this statement of the supremacy of God, Soul: "God is infinite, the only Life, substance, Spirit, or Soul, the only intelligence of the universe, including man" (330:11-12).
From the King James version of the Bible, the following will be read: "Bless the Lord, O my soul. O Lord my God, thou art very great; thou art clothed with honour and majesty" (Psalms 104:1).

Higgins.

Outstanding P. E. activities are being conducted by Billy Hobbs, John Collier, Rod Farley, Mike Conn and Russell Glenn.

FIFTH GRADE: The combination fifth and sixth grade football team finished up their football rivalry with the seventh graders on the winning side. In the total series they managed to break even with the older seventh graders winning two, losing two and tying one. Out standing for the sixth were: John Besio and Monty Straub as runners and the passing of Don Stowe as well as Mark Moore was highly commendable. For the fifth grade Bob Darren and Don Whiteneck were tops on offense while Ken Hensley, Pat Merica, Steve Weiler, Jack Melugin, Ron Walker, Gary Waters and Mike Grayson looked good in the defensive department.

SEVENTH GRADE: Mr. Licklider the 7th and 8th grade teacher may start a basketball team as soon as the snow flies.

Our class editors this week: Chuck Spillner, Mike Ingalls, Julie Householder, Marcia Leamon, Glenda Stark, Susan Knapp, Brenda Blair, Ronnie Conn.

EIGHTH GRADE: Last week fourteen people left our class to go to Mr. Anderson's class. They left us with a good class of thirty and and Mr. Licklider. Friday there will be the usual class meeting, trip to the library, and report cards.

KINGS BEACH SCHOOL

KINDERGARTEN: Both sessions have been gaining and losing pupils. Mike Sheridan left our class this week to move to Carson City. Mike Hengel came to us from Oroville. David Ratto recently joined our class from Stockton. Bill Holley, from Reno, has joined the afternoon session.

SECOND GRADE: Doug Darrah was eight years old Wednesday. One of the arithmetic groups is adding two place numbers to two place numbers.

THIRD GRADE: Clocks are ticking in our classroom. We made clocks from paper plates with numbers cut from a calendar and small pinecones for the pendulums. We will use these during the year to progress without time-telling.

We welcomed a new girl, Melinda De Sylva, who moved here from Truckee.

FOURTH GRADE: Thanksgiving is just around the corner and our class committees are looking forward to the mural which is just in the planning stage. It will be approximately 3 x 7 feet long. Everyone has a job on this project. The chairmen are Jeff Mally, Steve Whittelsey, Rocky Riggs, Patty Bervid and Mary Ferrari.

FIFTH GADE: Each member of our class made a sample report card and put on it the grades which he considered he deserved. It proved to be very interesting to the students and to the teacher.

Our class received a folder from Jim Sargi from Canada this week.

The following students received an A in spelling for the first quarter. Susan Clackett, Nancy Hutchinson, Yvonne Hutchinson, Vicki Jones and Wendy Howell.

The following pupils have had perfect attendance the first quartre: Kenny Kammerer, Janet Peters, Nancy Barker, Gregory Beck, Clint McKay, Sandra Miller and Frank Gaswint.

SIXTH GRADE: In our sixth grade class we were happy to have four new pupils come into our school. They are Dale De Sylva, Jill De Sylva, Donna Bates and John French. We were also happy to have Paul Abrahamson come back.

In social studies we are studying Central America. The chairmen of the groups are Sandra Nyblom, Mike Plevel, Phil Thompson, Judy Robert, Beverly Bergman and Bruce Templeton.

TAHOE LAKE SCHOOL

KINDERGARTEN: Arlene Orr received a picture book, made by the class, as a birthday present. Doris Day and Lorie Stephens will be honored with a birthday book this month.

Helpers during the week who were able to write the six table numbers on the board were: Theresa Vanni, Susan Lewis, Beverly Freeland, Edward Conners, Donald Carlson, David Beckman and Bobby Fitts.

FIRST GRADE: The following students have finished six preprimers and are now starting to read in their primers: Bonnie Nyberg, Steven Cross, David Thomson, Yvonne Baker, Sherry Freeland, Jackie Ghormley, Carl Ruhkala, Stephen Kilbourn, John Geyer, Marlene Lisle, Bob Zehm, Kathy Mitchell, Bill Moyer, Michelle Legras, Jennine Michener, Julie Howard and Paula Henrikson.

SECOND GRADE: The second class spent several days studying for a ten sentence spelling and dictation test. The class has written a six story book about Thanksgiving. Next week they will put their Thanksgiving book together and make a cover for it. Gus Swigert and Billy Bosshard were welcomed as new members of the class.

SECOND AND THIRD GRADES: The second-third grade has been presenting puppet shows. Those shows produced so far have been "My Dog Laddie" with Jimmy Collins, Scott Broomhall, Jimmy Njirich and Matt Barrett; "Watch Me," with Peggy Sue Hoff, Yvonne Martin and Mark Rivard; "Here They Are," an oral report by Shirley Stark.

The second grade had a unit test of 34 words those who received 100 per cent were: Scott Broomhall, Mark Rivard and Garry Johnson. Third graders who received 100 per cent were Calvin Bechdolt, Billy Dutton and Denise Kimball.

Our class is larger by two and smaller by one. This week we lost Linda Grice who we hope to see next year. New members are Frank Beck, from Hayward and Linda Walker from Modesto.

THIRD GRADE: The following people have made grades of 100 per cent every week since the start of school: Debbie Schindler, Vernice Bean, Eric Poulsen, Steve Mitchell and Le Roy Hammer.

Mike Schader was elected class president.

FOURTH GRADE: The following children received A's in the weekly 150 word dictation test: Leah Howard, Dianne McBride, Vicki Broomhall, Barbara Nielsen, Roxanne Anders, Ann Starratt, Breezie Cross, Janet Jorgensen, Alice Brandstrom, Ernie Marier, Tabor Griswold, Denise Henrikson and Anna Marie Conners.

FIFTH GRADE: Top grades in spelling and dictation were again held this week by Tad Hall with Jon Caulkett holding a close second. A show on hand made puppets was given by Loretta Bosshard, Cara Spears, Cathy Coster and Kathy Barrett.

SIXTH GADE: Top students for this period were: Cathy Conners, Karen McBride, Steven Rodgers, Bill Otts, John Handy, Kristin Meixner, Kathy Wilson and Alex Cushing.

SEVENTH GADE: Our seventh grade honor roll of achievement for the past quarter includes Estelle Howell, Kent Fugazi, Bob Holley, Gail Fitzgerald, Carol Franklin and Pamela Simpson. Other students, whose grades in effort were above average and who therefore can be expected to see great improvement in their grades this coming quarter are: Amy Arndt, Nancy Bervid, Wendy Boatmena, Marlea Draney, Barbara Hutchinson, Leta Laborde, Sharon Nyblom and Marie and John Wainscoat.

SEVENTH GRADE: Perfect papers in spelling on Unit 10 were attained by Wendy Broomhall, Lisa Davis, Randa Fugere, Larry Ingram, Julie Mochaitis, Greg Moore, Karen Simpson, Susan Stephani, Sherry Wall, Linda Wolden and Bob Dyer.

Holly Shaw, Larry Ingram, Jayne Shontz, Mike Keehn and George Gaswint gave current events reports during class meeting on Friday. We have a new student in our class this week. She is Sally Lee Crowl from Los Angeles.

EIGHTH GRADE: Top students, "over-all" are: Rene Robert, Bill Raikes, Richard Krips and Dean Denton.

DONNER SUMMIT NEWS

By DONNA I. POWER

SUMMIT SIT

Mrs. Beverly Cardwell entertained the ladies of the Summit Sit on Wednesday, November 11 in her charming Sugar Bowl home. Of interest to those who hadn't seen them previously was the collection of original paintings by Jerome Hill displayed in the living room. The club members present were Mrs. Kaye Zoll, Mrs. Mary Willlamson, a newcomer, Mrs. Mary O'Neill, "Grandma" Weiss, Mrs. Lola Schull, Mrs. Dorothy Bacon, Mrs. Olga Lyddane, Mrs. Gloria Reed, Mrs. Francis Dragoo, Mrs. Voleta Mason, Mrs. Jo Schueski, Mrs. Joyce West, and Donna Power. Mrs. Lyddane has invited the group to her Soda Springs home for the next meeting which will be on November 25.

WATER SKIERS

Sunday residents of the Donner Summit area spent time in preparing Lake Van Norden for water skiing next spring and summer. The lake has been unsafe for such activities because of stumps and rocks which are hidden just below the surface of the water. The group of skiers spent the afternoon removing some of these and preparing to mark others.. The shore areas are being cleared of stones to provide more desirable beaches. The lake shows promise of becoming a small but adequate water ski area for many local residents.

HUNTER SAFETY

Max Williamson instructor in the hunter safety course under the auspices of the National Rifle Association of America announces that the lessons are completed. The entire group of fifteen students have completed the course and fulfilled the requirements necessary to be awarded a certificate in evidence.

Those who were given certificates are: Tommy Gangler, Barry Cardwell, Danny Anderson, Craig Anderson, Marcia Sult, Bob O'Neill, Laurel Mason, Sandarah Salt, Bruce Loder, Judi Loder, Mike McKenzie, Bunny Board, Kenny Kisor, Pat DeWitt, John O'Rear, and Sherman Williamson.

PLANS CHANGE

Mrs. Dorothy Bacon who previously planned to operate the Snow Flake restaurant located at Soda Springs Ski hill has changed her plans. Currently she plans to manage the new restaurant in the Pla-Vada ski area.

TAHOE WEATHER

TAHOE CITY — Continued cold, dry nights with warm, sunshiney days features the weather picture at Lake Tahoe. A high of 55 and a low of 24 were reported for the week. With seven gates partly open, the level of the lake Monday was 6225.60 feet, provisional and subject to revision.

VFW AUXILIARY IS BUSY WITH PLANS FOR MANY PROJECTS

CRYSTAL BAY—A regular business meeting of the VFW No. 7077 Ladies Auxiliary was held at Crystal Bay Club November 12 with President Sophia Levra presiding. Mrs. Bernardine Spavor was accepted as a new member.

Beverly Newell and Ethel Antonson were appointed membership chairman for the auxiliary and both expressed a desire that the members have their 1960 dues paid by December 10 with a deadline for new members on January 1.

Ethel Antonson, V. A. Hospital chairman, announced the auxiliary will give another bingo party for the hospital patients in Reno. Verification of the date will be made November 28. The doll to be given away December 10 is on display at the Town & Country Variety Store in Kings Beach. Mrs. Levra asks that all members who made outfits to take them there for display. The small dolls being outfitted for the girls in Weimar must be turned in by December 10 so they can be mailed in time for Christmas.

Pearl Moore displayed the 16 small doll sweaters Mrs. Carol Howard knitted for these little dolls and thanked Mrs. Howard for her interest in the project.

A donation was approved to send the Tahoe Truckee high school band to the Stanford-California football game. Audry Welch was appointed polio chairman for the Mothers' March.

It was announced that the VFW will entertain Department Commander Les Fry on Wednesday, December 2 with a dinner party which is open to post and auxiliary members and their guests.

CHRISTMAS PLANS AT TAHOE MADE BY CLUB

TAHOE CITY — Twenty seven members of Tahoe City Rotary Club meeting on November 10 at Tahoe Inn were entertained for the second week by students and two faculty members of Tahoe Truckee High School. Jim Brehler, dean of boys, explained the adult classes that may be started this winter and invited anyone interested to report the subjects they would like to take.

Music Director Ross Price introduced his seven piece Dixie Jazz band which rendered several lively selections. The director said the entire school band had been invited to play at the East-West football game at Kezar Stadium on January 2 and he considered it a great honor for his band.

Reporting on the annual Christmas party for children of the community, Bob Tonini that he, Martha Snyder and Dorothy Bury had made the purchase of 286 presents which are still to be wrapped. Basil Kehoe, chairman of tree decorations, reported the living tree in center of highway will be restrung with five additional strings of light on the following day. Local power company linemen did the climbing and assisted Rotary members. The annual event is scheduled for the night of December 18.

Gordon Moyer was program chairman. Vice-President Ralph Bly presided in the absence of President Bill Bechdolt who had been out of town.

DONNER LAKE LODGE
INCORPORATED
HAL WELCH. YOUR HOST

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

After a prediction of snow for this Monday morning, it turned out to be a beautiful autumn day, lots of warm sunshine and the lake smooth and pretty.

NICE TRIP

John and Lila Gorrindo had a fine trip to San Francisco. Lila underwent a check-up, then spent a few days resting up visiting some of the members of the September Club, whose headquarters is the Dunes at Tahoe Vista.

WEDDING ANNIVERSARY

A delightful wedding anniversary took place last Saturday night at Blue Waters Lodge, Kings Beach, where a lovely cocktail party was enjoyed followed later in the evening with a wonderful dinner party at the Crystal Bay Club. The guests were royally entertained by the happy couple Mr. and Mrs. Theodore Staatz. We all wish them more years of happiness.

OPEN

The Monte Carlo Club is open over the weekends, it is making plans on being open for the season in about a week or so, according to Paul Goodman, owner. Be sure to watch for ads in the Sierra Sun.

PHEASANT HUNTERS

By all accounts pheasants were fairly plentiful. Among those lucky ones were Dick Lavery, Dave Ashton, Art Mueller, Johnny and Jerry Rayburn along with Sam and Ruby Faulkner had a wonderful trip coming back with the limit of pheasant and quail. We are so glad to see Johnny looking so much better after having the old flu.

HOME SAFE

Dr. Wyatt, Otto Walter and Fred Rockholm had to make a hurried trip home from storm stricken Montana where they were on a hunting trip. They didn't get an elk but did get two deer, and mighty lucky to be home safe, I'll say.

RECOVERING

We are glad to know that Gladys Thorwaldsen is home again after undergoing a serious operation and happy to report that she is making a wonderful recovery.

REAL BUSY

We hear that Sam and Audrey Harrison are very busy down in San Francisco, they hope to get through with their business in time to come up for Thanksgiving. They say they surely miss the lake and their wonderful friends up here and we all miss them too. Hurry back Sam and Audrey.

MOVED

The Jack Browns are now living on the Truckee short cut.

IN SUNNYVALE

Jeanne Rood Dickow and husband, Jim, are now living in Sunnyvale. They are former Kings Beach youngsters, and the proud parents of a baby girl a few weeks old, they now have a boy and a girl.

FAMILY VISITING

Bob Mercer, one of our former local high school lads has been up here for a few days with his sweet wife and lovely little daughter, three years old. They are now living in San Jose where Bob is majoring in electronics—he is one of our favorite local sons and a credit to his family, especially his mother, Carrie Mercer, well known at Crystal Bay and of the North Tahoe area. We all wish you and your family the best, Bob, and hope you will pay many visits to the lake.

SHORT VISIT

Craig Robinson our local baseball star was home for a few days from Fresno, much to the delight of his family and many friends.

A VERY HAPPY THANKSGIVING TO YOU ALL AND DON'T FORGET TO COUNT YOUR BLESSINGS INSTEAD OF SHEEP.

DEER KILL HIGH FOR REGION, SAYS STATE

Although the 1959 deer kill in Nevada County was slightly under the 1954-58 average of 1094, it was considerably over the 1958 mark, the department of fish and game reports.

This year 1052 deer were taken in the county compared to 942 for 1958 and with the five-year average of 1094. Sierra County reported a kill of 1105 compared to 726 last year and a five-year average of 871, the report shows. A total of 778 deer were taken in Placer County while last year 610 were killed compared to an average of 655.

Tax Gain, Amortization of Premium
These bonds will be initially issued by the above named political subdivision at not less than their par value, and a taxable gain may accrue on bonds purchased at a discount. Investors are required under existing regulations to amortize any premium paid thereon.

Legal Opinion
The above bonds are offered when, as and if issued and received by the underwriters listed below and subject to approval of legality by Messrs. Orrick, Dahlquist, Herrington & Sutcliffe, Attorneys, San Francisco, California.

Tahoe-Truckee Unified School District
Placer and Nevada Counties, California
5% and 4¼% School Bonds
Dated Dec. 15, 1959 Due Dec. 15, 1961-79, Incl.

Payment and Registration
Principal and semi-annual interest (June 15 and December 15) payable at the office of the Treasurer of Placer County in Auburn, California. First coupon (annual) payable December 15, 1960. Coupon bonds in denomination of $1,000 registrable only as to both principal and interest.

Tax Exemption
In the opinion of counsel, interest payable by the District upon its bonds is exempt from all present Federal and State of California personal income taxes under existing statutes, regulations and court decisions.

Legality for Investment
We believe that these bonds are legal investments in California for savings banks, subject to the legal limitations upon the amount of a bank's investment, and are likewise legal investments in California for other funds which may be invested in bonds which are legal investments for savings banks, and are eligible as security for deposits of public moneys in California.

Purpose and Security
These bonds, issued under provisions of Division 3, Chapter 17, California Education Code for various school purposes, in the opinion of counsel constitute valid and legally binding obligations of the Tahoe-Truckee Unified School District. The Boards of Supervisors of Placer County and Nevada County, respectively, have power and are obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District lying within Placer and Nevada Counties, respectively, subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

DONNER DOINGS

By VIRGINIA O'BEAR

The card party held at Smart's on Friday the 13th, was a lot of fun for all and a success for the auxiliary of the Donner Lake Volunteer Fire Department. Bob Cannon of Soda Springs won the Thanksgiving turkey with all the trimmings. Rex Reid won the mystery package and it will remain a mystery until Thanksgiving Day.

A board meeting was held at the home of Mrs. Dan Horman Monday evening to prepare the meeting for this Thursday night when the Ladies Auxiliary will meet at Donner Lake Lodge at 7:30. A delicious dinner is being planned so be sure to attend and take a friend. That night, each member will receive a copy of the by-laws, get a report on the profits of the card party and see pictures taken of the fire truck helping put out the recent fire at Topol's Lumber Yard.

An emergency meeting was held at Donner Lake Lodge Sunday evening when members of Donner Lake Resorts met to organize a committee to approach the fish and game commission in regards to having more Kokanee planted each year. Also a group is planning to visit Nevada City to protest the raise in taxes at Donner which almost doubled the rate paid last year. If our taxes are to be doubled, the people feel they should get a little more for their money in this area such as better road conditions. They feel some of the roads in the area should at least be oiled occasionally if not paved. The next regular meeting will be held on December 6 at Donner Lake Lodge and a delicious dinner will be served at 7:30.

The fire fund dance held at Donner Lake Lodge Saturday night was a success. A large turnout was on hand and at midnight a long line formed to participate in the dining room of delicious food brought in by ladies from Truckee, Gateway and Donner Lake. Tom Dolley was on hand to thank the people for attending in behalf of little Joy Frates, who is still at Tahoe Forest Hospital.

A bridal shower was given for Miss Sharon Tremayne at her home last week by her maid of honor to be, Miss Diane Speeter. Many games were enjoyed by all and the bride-to-be received many beautiful gifts. A beautiful cake was decorated with wedding bells and it was cut and served by Misses Jan Ambler, Barbara Kammerer, Joyce Slate and Diane Speeter. Guests present for the delightful evening were Mesdames L. C. Brooke, Robert Affeldt, Aaron Thomas, Wilbur Glenn, Gale Brown, Ray Brown, Roy Slate, Tom Dolley, Jr., Clarence Osburn, Robert Moore, George Hansen, Charles O'Bear and the bride-to-be's mother, Mrs. David Tremayne. Also attending the shower were Jan Ambler, Hiedi Euer, Diane Speeter, Joyce Slate, Mary Pratt, Joan Decker, Barbara Kammerer, Evelyn Ames, Shirnell Hansen, Ruth Waller, Mrs. Eve Hallett, Miriam Zwarg and Estelle Thomas. Sharon will be married this Saturday to Harold Brown.

Even though the Wolverines were beaten by Winnemucca last Saturday, they are still champions. People in the area are sorry that the boys will not get to go to Las Vegas. Moathers of the Wolverines are going to get-together and have a bake sale to try to send the boys to San Francisco to the East-West game in late December. Information is being sought now to obtain an estimate on how much will have to be raised to do this. Anyone wishing to donate a cake or bakery goods or cash, please call LUther 7-3688. Time and place of the bake sale will be announced nextweek.

A meeting was called on November 11 for all people interested in being press managers during the 1960 Olympic Games. This meeting was attended by high school students, boys and girls, skiers and non-skiers. The need for foot, ski and snowshoe messengers was stressed by Gordon Butterfield, press representative.

These press messengers will have a very important job. They will not only represent the high school and their community but the United States of America as well.

There will be 300 press representatives from all over the world. The messengers will be assigned to or photographers. They will relay journalists, press agents, reporters messages from the ski hill to ground couriers who will take them to appropriate press stations in the valley. These news releases and pictures will be immediately processed and sent out to the public the world over within just a few hours after they are carried off the hill by the messengers.

NEW COMMERCIAL DEVELOPMENT PLAN

TAHOE CITY—It has been announced today that R. T. Nahas, prominent bay area developer, has purchased a 20 acre commercial site on the north side of Lake Tahoe, near Tahoe City and Squaw valley for the purpose of building a complete shopping village, large motel and other recreational faciities, with architecture in keeping with the Tahoe area.

An excess of $1,000,000 will be spent on the initial development.

The real estate firm handling the transaction was Elsie and Howard Martin Real Estate of Tahoe City.

Scholarship Dinner Honors Grid Stars

The scholarship dinner given by the Tahoe Truckee PTA Wednesday evening honored the Tahoe Truckee football team, now co-champions of the Northern Nevada Conference Division ,

The Brockway Lions Club, the North Shore Rotary Club, the Tahoe Citv Rotary Club. the Truckee Lions Club, and the Truckee Rotary Club each sponsored 20 members of the varsity and junior varsity teams at the dinner, and some of these service clubs also gave up their own meeting nights in order that members might attend the dinner.

The purpose of the dinner was to provide scholarships for graduates of the high school in the class of 1960.

The affair was under the direction of Mrs. Frank Burke, PTA president, Mrs. Steve Cozzi, Mrs. Fred Jensen, Mrs. Robert Leamon and Mrs. E. H. Risden. Miriam Zwarg and Ava Glenn were in charge of the dinner.

Decorations were the work of the arts and crafts department, under the direction of Lyle Morris.

The dance band, under the direction of Ross Price, gave a performance of which the community can be justly proud.

Miss Joanna Johnson sang "Stardust", "Talk of the Town" and "Blue Moon." Her voice gives promise of a possible career.

Coach Cal Farley introduced the varsity men, and presented the championship trophy. He reviewed the teams successful season briefly.

Coach Guy Wilson introduced the junior varsity men, and discussed briefly the promise they show for years to come.

Marty Kumle, captain of the varsity, with a few remarks, made the guests again proud of him, as well as of his team.

The dinner was served by students of home economics classes under the direction of Mrs. B. J. Smith. Donna Barnes, Ginger Barnes, Debbie Bradley, Adrienne Davis, Linda Draney, Steffie Firpo, Deedy Frates, Tina Grundeman, Carol Hampton, Margy Mandeville, Francie McGwinn, Jo Ann Pomin, Alberta Putynkowski, Karen Smart and Sherry Thatcher.

CLERK EXAM IS SET BY CHP FOR DEC. 19

An open competitive examination for a senior account clerk for the Truckee office of the California Highway Patrol is scheduled for December 19 and the final date for filing applications has been set for November 27.

The eligible list will be for the selection of a clerk at the Truckee office only. Full details may be obtained from Sergeant Frank Snyder at the CHP office.

SERIES OF GAMES IS PLANNED BY P. T. A.

TAHOE CITY—Carl Shaff's sixth grade presented the program at the meeting of the Tahoe Lake PTA last night in the multipurpose room. James Reynolds told of plans for the Christmas program which will be held at the regular meeting of the PTA in December.

It was announced that a basketball tourhament will be held at the high school gym on Tuesdays and Thursdays and a practice night on Thursdays at the Tahoe Lake school. All men interested are asked to contact Ernie Marier for details.

The men will also play volleyball on Wednesdays and Fridays at the school.

The women will play volleyball on Tuesdays in the multipurpose room and everyone is invited to join in the fun, Pauline Keehn, publicity chairman for the PTA announced.

Birmingham, Alabama, incorporated in 1871, is called the Pittsburgh of the South.

CARD OF THANKS

We are most grateful to the members of the Truckee Volunteer Fire Dept. and others who responded so promptly to put out the fire on our property.
